

Go directly to **Log In** (left side of the page)

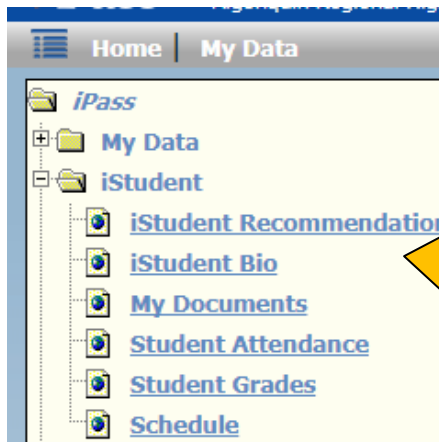

- Your **User ID** is your **student school ID** and your **last name** (all lowercase) e.g., **1234smith**
- Your password is your birth date: example - January 2, 2003

grade 9 - format = mm/dd/yyyy example: 01/02/2003

grades 10-12 - format = mmddyyyy example: 01022003

- note that freshmen use slashes (/) in the format of birth date, all other students do NOT use the slash marks
- Leading zeros MUST be used**- please format exactly like the examples provided
- if one date format does not work, try the other
- if you have signed into iStudent/iPass before, you may recover your password using "Forgot Password"

Once you are logged in, you choose **iStudent**, then **iStudent Recommendations** to get to the course selection.

** If you have any problems or questions, please see Ms. Maurello in the Guidance Office*
