

## **New Student Enrollments**

Welcome to Algonquin! Our district utilizes an electronic registration process through PowerSchool. Families must complete the online registration process as part of the initial step. Once you have completed this part of the enrollment process, a counselor from the Guidance department will contact you to set-up a meeting time. They will review your documents, share information on our school and develop a course of study for your student.

To provide a seamless experience, we require all families to register their child for school electronically using the PowerSchool enrollment module. If you have difficulty accessing or completing the registration process, please contact Jean Pinto, Transportation Assistant and Registrar, at [jpinto@nsboro.k12.ma.us](mailto:jpinto@nsboro.k12.ma.us) or (508) 486-5115. If you require translation services to complete the registration process, click on this link to see the section of this document entitled "[Translation Services](#)."

The Guidance Office will be open every Tuesday and Wednesday throughout the summer. Please feel free to call the office if you have any questions.

We look forward to working with you.

Sincerely,

***Lisa Connery***
