

Notification from: **Melican Middle School (MMS)**

January 4, 2021

Dear Melican Families –

Happy New Year! We hope you and your family were able to enjoy the winter vacation. We are looking forward to continuing with our hybrid and stand alone remote models this month, and we are hopeful that we will be able to offer some after school clubs and activities soon.

Flu Vaccine - All students enrolled in school (including Stand Alone Remote students) are required to have the influenza vaccine *by December 31, 2020* unless a medical or religious exemption is provided. If you have not already done so, please email, mail, fax, or drop off proof of vaccine administration.
