

Notification from: **Melican Middle School (MMS)**

September 17, 2021

Dear Melican Families –

We want to share some exciting news with you! We will be offering **free grab-and-go breakfast** to our students each morning beginning Monday, September 20. We shared this news with our students during lunches today, and we took a breakfast count for Monday. Moving forward, we will be taking breakfast count the morning before when we take our lunch counts in homeroom. Students will be able to “grab” breakfast bags when they are dropped off in the morning (from buses, walking, and/or parent drop off) and eat while they are waiting to enter the building. Each breakfast bag will contain a breakfast item (granola bar, muffin, etc.), fruit, and milk.

Additionally, please send in your picture order form and money by Wednesday (9/22) if you have not yet done so and if you wish to purchase school pictures. **Picture Make-Up Day is November 16.** I have attached the picture order form to this email.

Respectfully,

Michelle T. Karb, Principal
