

Notification from: **Melican Middle School (MMS)**

December 21, 2020

Dear Melican Families –

Thank you for supporting our Holiday Helpers initiative. We collected over \$1600 and were able to purchase grocery store gift certificates for Northborough Helping Hands, and to support other needy families in town. Many students participated in our raffle, which accounted for much of what we collected. We drew tickets for the raffle on Friday, and were able to give prizes to students who were in school. We will call others this week, and make arrangements for prizes to be retrieved.

Tuesday (12/22) and Wednesday (12/23), all students in the District will be learning remotely. At Melican, we will run our typical in-person schedule remotely via Zoom (like we did after Thanksgiving). Tuesday will be a Day 2 and Wednesday will be a Day 3, as previously scheduled. We have attached the grade level schedules to this email and will also link them to our website for families to reference.

Please call the office with any questions. We will be in the building this week, as will our administrative assistants.

Tuesday and Wednesday are the days that will be impacted. All students should follow their in-person schedules for those days, logging into classroom/teacher Zooms for homeroom and for each class period. The positive outcome of learning remotely and following an in-person schedule Tuesday and Wednesday is that all students will have live contact with all teachers on those three days. Our SARP schedule remains consistent with what was previously scheduled.
