**ROBERT E. MELICAN MIDDLE SCHOOL
SUMMER READING
FOR STUDENTS ENTERING GRADE 6
2022-2023**

Welcome to the Robert E. Melican Middle School. Summer brings opportunities for relaxation and also exploration. Our goal in sharing the attached summer reading assignment is to help our students use literature as a way to do both. We encourage all students to complete the task below. We want to note that there is no required project to be done following the reading.

Summer reading assignment for students entering grade 6:

- Read at least one title from the Association for Library Service to Children's (ALSC) summer reading list for students in grades 6-8. The ALSC is a division of the American Library Association; their reading lists *"are created by children's librarians as a resource to share with patrons, and may also be available in ebook, audio book, braille, and large print formats. Parents and caregivers are encouraged to explore this list to find resources that may match or spark their child's interest."*
