

Notification from: **Melican Middle School (MMS)**

June 21, 2022

Dear Melican Families –

As we write our last Monday Memo of the academic year, we want to thank you for partnering with us. We realize this has not been a typical school year, though we have moved closer to “typical” over the past several months.

Our eighth graders enjoyed Grade 8 Field Day on Friday for the first time since 2019, and they also experienced the Grade 8 Farewell Dance for the first time since 2019. Students were happy, engaged, and very well-behaved. I would like to thank the parents who donated items and/or who helped decorate or chaperone.

Our sixth graders were able to race their CO2 cars for the first time last week since 2019, and our seventh graders experienced meaningful outdoor group learning experiences over the past several weeks. These are all signs that teaching and learning are getting close to “typical” in our schools and we are excited about next year.

If your children have not returned school chromebooks and chargers, please have them do so.

Summer Reading Lists and Summer Math Work were emailed last week – these will also be posted on our [website](#) on Tuesday.

If there is inclement weather, the ceremony will take place in our small gym. Space is limited, and we will have a live-stream video showing across the hall in the cafeteria.*

Report Cards may be viewed between 1:00 and 2:00. We will send reminder information about how to access report cards via PowerSchool.

Please reach out with any questions. Thank you for a wonderful year!
