Credit for prior experience in the Northborough/Southborough School District (Northborough, Southborough, Algonquin) will be granted by the Superintendent. Credit may be given for other prior experience at the discretion of the Superintendent.

**ARTICLE XII - REDUCTION IN FORCE**

- A. The Committee retains the right to determine the number of positions, which are needed in the schools under its jurisdiction. In the event it becomes necessary to reduce the number of employees included within the bargaining unit, employee layoffs will be based upon seniority within the categories of:

- Administrative Assistant
- Certified Occupational Therapy Assistants (COTAs)
- Instructional aides
- Non-instructional aides
- Cafeteria worker
- Cook-worker
- Baker-worker
- Cook/Baker
- Cafeteria manager

unless past performance is not satisfactory or a less senior individual has unique skills that are necessary for the position. To clarify, any employee so laid off shall have the right to a position held by a less senior person in another category, provided that the more senior employee is qualified to take that position. In order to be eligible for this reduction in force language, the employee must have been employed for two years, except cafeteria workers, who must have been employed beyond their probationary period. Employees will be given a two week notice in the event they are affected by reduction in force.

- B. "Seniority" means an employee's length of continuous service in a unit position in years, months and days in the school system from the initial date of employment by the Committee. Service for part-time employees will be pro-rated. Continuous service means the most recent period of unbroken service, providing that authorized leave of absence, military service, or layoff for any reason except unsatisfactory job performance, shall not be considered a break in continuous service for the purpose of establishing a seniority rating.
- C. Employees who have been laid off shall be entitled to recall rights for a period of one year and cafeteria workers shall be entitled to recall rights for a period of two years from the effective day of their respective layoffs. Recall will also be done within categories. During the recall period, the laid-off employee shall be notified of openings. The laid-off employee will be responsible for notifying, in writing, the administration of current address. The administration shall be responsible for notification to the last submitted address of the employee. If an employee is qualified, preference for positions as they develop will be the inverse order of their respective layoff dates and all benefits to which an employee was entitled at the time of layoff shall be restored in full upon re-employment within the recall period. No credit will be given for time spent on layoff. During the recall period, any employee who refused recall or did not respond to a notification of job opening within seven (7) days of receipt of notification to a job which she/he is qualified will forfeit rights under this section.
- D. Employees who are on recall are eligible for COBRA benefits and may remain in the group health insurance program by paying one hundred and two (102%) percent of the premiums, insofar as such participation is permitted by Massachusetts General Law, Chapter 32B.
- E. Upon return to the system, employees shall have all previously earned and accrued benefits, including accumulated sick leave and seniority, restored to them.

### **ARTICLE XIII - USE OF SCHOOL FACILITIES**

The Association shall have the right to use school buildings and grounds without cost (except for custodial fees where applicable under SC Policy E-110) at reasonable times for meetings and recreational purposes, subject to request for such use to the Principal of the school and subject to this approval as to the purpose of such use. The Superintendent shall have final authority to grant or withhold such permission.

### **ARTICLE XIV - EVALUATION**

- A. Purpose of Evaluation: The purpose of evaluation is to recognize and improve, as necessary, staff effectiveness in providing the best possible environment for the students of the Northborough School system. That environment includes both emotional and physical attributes. The attitudes of employees in working with children, the cleanliness of the school buildings and grounds, and the cooperative spirit in which tasks are completed all contribute to a positive environment for our students.
- B. Evaluation should be a continuous and cooperative process between the evaluator(s) and the evaluatee. The evaluation should place major emphasis on assisting the employee in achieving growth that is consistent with the basic philosophy, goals and objectives of the Northborough School system.
- C. Evaluation Instruments: The parties agree to form an Evaluation Subcommittee to review the current evaluation instrument and procedures.
- D. The evaluation instruments will be attached as Appendix A.
  - 1. Evaluation is an ongoing procedure.
  - 2. Evaluation is the responsibility of the administration and may be conducted at any time.
  - 3. Supervision of employees will be conducted openly and with full knowledge of the employee. Employees will be given a copy of any evaluation report prepared by their superiors and will have the right to discuss such reports with their superiors.
  - 4. All evaluations will be completed by May 1st.
  - 5. Following an evaluation conference, the evaluator will write a final report and share it with the evaluatee. Both the evaluator and the evaluatee will sign the report, and the evaluatee will receive a copy of the same. The evaluatee will have the right to include a written response to the evaluation, and this response will be viewed by the Superintendent and become part of the evaluation placed in the personnel folder. This rebuttal should be submitted by the end of the school year.

6. Formal year-end evaluations of employees will be the sole responsibility of the Superintendent of Schools or his/her designee.

E. For Administrative Assistants and Aides (including COTAs):

1. Formal Observation Visits: Formal Observation visits are visits by the evaluator to observe the evaluatee in the classroom or their regularly scheduled work environment. Aides shall be observed while working with students at least once each school year. Administrative assistants will be observed at least once each school year while conducting their regularly assigned tasks. One designated evaluator will evaluate each employee. Under no circumstances will Unit A members evaluate an ESP. Teachers may, however, offer verbal input to the evaluator regarding the Unit C member. At the beginning of each school year, the employee shall be told who the evaluator will be. If it is necessary to change the evaluator during the course of the school year, the evaluatee shall be promptly notified of said change.
2. Following the formal observation visit, the evaluator and the evaluatee will meet within two weeks. Together they will discuss the observation visit and the evaluation created by the evaluator. Commendations and suggestions for improvement will be discussed and included in the written report.
3. Following an observation conference, the evaluator will write a final report of the visit and share it with the evaluatee. Both the evaluator and the evaluatee will sign the report, and the evaluatee will receive a copy of the same. The evaluatee will have the right to include a written response to the evaluation, and this response will be viewed by the Superintendent and become part of the evaluation placed in the personnel folder. This rebuttal should be submitted by the end of the school year.

F. For Cafeteria Workers:

1. Individual performance observations of all employees below the level of manager may be carried out by the appropriate manager.
2. Individual performance observations of managers will be carried out by the Supervisor of Cafeterias.

**ARTICLE XV - PERSONNEL FILE, DISCIPLINE AND DISCHARGE**

- A. Employees will have the right, upon request, to review the contents of their personnel file.
- B. Any serious complaint made against an employee to administration will be immediately brought to the employee's attention. The name of the complainant will be given. All employees are encouraged to resolve differences with understanding and respect at the lowest possible level.

- C. No matter derogatory to an employee's conduct, service, character or personality will be placed in her personnel file unless she has had the opportunity to review the material and so indicate by affixing her signature to the copy to be filed with the express understanding that such signature in no way constitutes agreement with the contents thereof. The employee will also have the right to submit a written answer to such material and her answer shall be attached to the file copy.
- D. An employee who has completed his/her probationary period shall not be reprimanded, suspended or terminated except for good cause. The probationary period is defined as the first three consecutive calendar months of employment.

### **ARTICLE XVI - PROFESSIONAL DEVELOPMENT**

#### A. For Administrative Assistants and Aides:

- 1. Professional development will be offered to unit members scheduled to work on professional development release days for teachers. Employees may be permitted to attend conferences and other training opportunities that will improve their job related skills. If approved, the district will pay fees. Related travel will be reimbursed at the DESE rate.

- 6. Non-attendance at such professional days shall result only in non-payment for the day.

#### C. All employees who are required to attend workshops approved of and authorized by the Superintendent shall be reimbursed for all expenses, including their regular hourly rate for each hour in attendance, the cost of books, tuition, transportation, and room and board if applicable.
